

Declaration

RoHS (restriction of hazardous substances) Directive 2002/95/EC
WEEE (Waste, electrical and electronic equipment) Directive 2002/96/EC

This is to certify that that the all products supplied by Kemtron do not contain Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated biphenyl and Polybrominated diphenyl ether above the thresholds indicated within the requirements of RoHS.

Yours faithfully

David Wall
Managing Director
